ASSOCIATION OF CONSULTING ENGINEERS MALAYSIA

Luncheon Webinar

Changing technologies and the new ways of working were disrupting the method of an older way in delivering training.

Meeting the challenges in financial issues, venue limitation, safety health of trainer and trainee, Mega Jati Academy discovered that the old ways of delivering trainings were about to be converted and in-trend.

Our webinar covered with technical, engineering and construction related topics. Lifelong learning is no longer a luxury but a necessary for employment.

MBOT CPD are available

Let's lunch and learn, read while eat
