1.0 INTRODUCTION

Established as the second university in the country in 1969, **Universiti Sains Malaysia (USM)** was first known as Universiti Pulau Pinang. In 1971, USM moved from its temporary premises at the Malayan Teachers' Training College, Bukit Gelugor to the present 416.6 hectare site at Minden. USM offers courses ranging from Natural Sciences, Applied Sciences, Medical and Health Sciences, Pharmaceutical Sciences to Building Science and Technology, Social Sciences, Humanities, and Education. These are available at undergraduate and postgraduate levels to approximately 30,000 students at its 17 Academic Schools on the main campus in the island of Penang; 6 Schools at the Engineering Campus in Nibong Tebal and 3 at the Health Campus in Kubang Kerian, Kelantan. USM as a prominent university in Malaysia with the motto "We Lead" with the industrial collaboration offers a complete **Certified Facility Management Specialist FMS® Level 5 via 3 months Professional Courses**.

OTHM Qualifications is a UK's based Awarding Organization regulated by OfQual (Office of the Qualifications and Examinations Regulation) and has a numerous delivery centre globally to deliver their qualifications with the objectives to uphold the integrity of qualifications and assessments to provide **British Standard Qualifications** globally, to promote professionalism, to promote ethical practice and to promote equality and diversity. **Mega Jati Academy** is one of the Approved Centre of OTHM Qualifications United Kingdom in promoting construction and facility management learning programs with registration number **DC2012488** and delivering international **Endorsed Learning Program (ELP)** by OTHM Qualifications particularly in Construction Industry at Level 5, 6 and 7 approved under the **European Qualification Frameworks (EQF)**.

Mega Jati Academy is a Certified, Approved Training Provider registered with the Ministry of Finance Malaysia (MOF), Human Resource Development Corporation (HRDCorp), Construction Industry Development Board Malaysia (CIDB) and OTHM Qualifications (OTHM) delivering construction-based training for construction personnel in Malaysia. This Proposal will outline the collaboration brief between the School of Civil Engineering USM and Mega Jati Academy Sdn Bhd (MJA) in this University's **INTERNATIONAL PROFESSIONAL CERTIFICATE IN FACILITY MANAGEMENT SPECIALIST** starting from September 2022. In addition, MJA is registered with the MOF under CODE **221110: Training Services, Trainer and Moderator/Negotiator** & CODE **222704: Services / Certification and Accreditation** enabled us to offer such programs to certify qualified personnel independently.

The general idea of this program as in-depth specialize in Facility Management (FMS®) in important FM Services targets all supervision and management workforces in technical building management and operation focus in **ten (10) Facility Management Specialist (FMS®) areas** not only for Malaysian but also international workforces.
